

# AUTISM DIAGNOSTIC OBSERVATION SCHEDULE SECOND EDITION ADVANCED - (ADOS-2 Advanced)

[www.mindful.org.au/Autism-Training](http://www.mindful.org.au/Autism-Training)

## What is the ADOS-2?

The Autism Diagnostic Observation Schedule Second Edition (ADOS-2) is a semi-structured, standardised assessment of communication, social interaction, and play. It provides a series of standardised contexts in which the individual's social, communication and repetitive, stereotyped behaviours can be observed. It has been designed to assist in the diagnosis of autism and pervasive developmental disorders and is suggested as a complementary instrument to the Autism Diagnostic Interview Revised (ADI-R). Standardised toys and activities are used to present opportunities for social and communicative interaction with the examiner. During these activities, observation of the individual notes the absence of presence of behaviours of interest. A diagnostic algorithm consistent with DSM-V and ICD-10 clinical diagnoses is generated.

## Who is this workshop for?

- Those who have completed the 2 day Introductory or Clinical ADOS-2 workshop
- Anyone using ADOS-2 in research
- Clinicians seeking to improve their level of skill and accuracy in their administration and coding of the ADOS-2

## Who provides the training? - Deborah Sweeney

Deborah has been using the ADI-R and ADOS in complex, multi-disciplinary assessments for over 15 years and regularly trains health professionals in the ADI-R and ADOS throughout the Asia Pacific region.

## What does the training include?

The two and a half day workshop provides:

- Hands on administration of the ADOS-2
- Small group learning
- Intensive instruction about administration and coding

### Where are we?

Mindful - Centre for Training and Research in Developmental Health  
Department of Psychiatry,  
University of Melbourne

 Building C, 50 Flemington St,  
Travancore, VIC 3032

**P** Parking is not available on site,  
see Mindful website for further  
information.

### Enquiries

Please direct enquiries to Frances  
Saunders, Statewide Autism Training  
Coordinator at

 [mindful-asd@unimelb.edu.au](mailto:mindful-asd@unimelb.edu.au)

 03 9371 0200

### DATES

Thursday 5th to Saturday 7th December 2019  
Places limited to 10 participants

Two and a half day training, 8.45am - 4.30pm / \$1155 (\$660 subsidised fee for Victorian  
CYMHS/CAMHS clinicians)

## Registration and attendance information

### REGISTRATION

Register online at  
[www.mindful.org.au/Autism-Training](http://www.mindful.org.au/Autism-Training)

We encourage prompt registration as  
some workshops reach their capacity  
early. It is possible that additional  
workshops will be run if there is  
sufficient interest.  
The subsidised rate applies to Victorian  
CAMHS/CYMHS only.

### PAYMENT

Please register and pay online.  
Please note that costs for all workshops  
include the Goods and Services Tax (GST).

### CANCELLATION

Registered participants who are unable to  
attend and notify us of this in writing prior to  
14 days before the workshop may either:  
(1) cancel their registration and receive a  
refund of their payment minus a 10% of total  
cost administration fee;  
(2) transfer their registration to another  
participant (no fee)

### ATTENDANCE

A certificate of attendance will be  
provided.

### DISCLAIMER

At the time of printing, all information in this  
poster was correct. Mindful reserves the right  
to make changes to the training calendar or  
any general or specific information published  
in this calendar. Mindful reserves the right to  
cancel courses that do not achieve minimum  
participation, in which case, all fees will be  
refunded.

See Mindful website for further information about  
workshops. Additional workshops may be added  
to the calendar later in the year. Check the  
website for updates

Dates and prices correct as of 13 December 2018
