

ASD & ADULT MENTAL HEALTH - HALF DAY WORKSHOP

www.mindful.org.au/Autism-Training

Who is this training for?

Psychiatrists, Psychologists, Occupational Therapists, Social Workers, Speech Pathologists, and Psychiatric Nurses. Subsidised places are available for clinicians employed by a Victorian Public Mental Health service and Headspace Clinicians.

Who provides the training?

Dr Emma Radford, Consultant Psychiatrist, Inner West Area Mental Health Service - Royal Melbourne Hospital
Jo Rouse, Senior Clinician & ASD Coordinator, Orygen Youth Health.

What does the training include?

Autism spectrum disorder is now commonly diagnosed in childhood, but this was not the case for the generation who are now adults. Changes in diagnostic practices and a growing awareness about how Autism presents in adulthood brings new opportunities to provide a diagnosis to those who were missed. Therefore, there is an increasing need for psychiatrists and other mental health clinicians to be able to recognise autism in the context of comorbid psychiatric disorders such as psychosis, personality disorder, depression and anxiety.

This training will focus on practical approaches to diagnosis and treatment through discussion of clinical vignettes:

1. Recognising ASD in psychiatric clients presenting with other mental health disorders

- Understanding the differences between how autism presents in adults and children
- Identifying the red flags for autism in crisis presentations
- Screening tools
- Consideration of the pros & cons of diagnosis
- Referral options and resources

2. Working with adult clients with a known diagnosis of ASD

- Strategies for engagement
- Modifying treatment approaches
- Practical tools for intervention and therapy resources

Where are we?

Mindful - Centre for Training and Research in Developmental Health
Department of Psychiatry,
University of Melbourne

Building C, 50 Flemington St,
Travancore, VIC 3032

Parking is not available on site,

DATE

Friday 8th March 2019

Half Day Seminar, 9:00am to 12:30pm (Registration 8:45am)

\$99 inc. GST - others

\$55 inc. GST - Subsidised cost - Publicly employed Victorian Mental Health clinicians
and Headspace clinicians

Registration and attendance information

Registration

Register online at
www.mindful.org.au/Autism-Training

We encourage prompt registration as
some workshops reach their capacity
early. It is possible that additional
workshops will be run if there is
sufficient interest.

The subsidised rate applies to publicly
employed Victorian Mental Health
clinicians and Headspace clinicians only.

Payment

Please register and pay online.
Please note that costs for all workshops
include the Goods and Services Tax (GST).

Cancellation

Registered participants who are unable to
attend and notify us of this in writing prior to
14 days before the workshop may either:
(1) cancel their registration and receive a
refund of their payment minus a \$25
administration fee;
(2) transfer their registration to another
participant (no fee)

Attendance

A certificate of attendance will be provided.

Disclaimer

At the time of printing, all information in this
poster was correct. Mindful reserves the right
to make changes to the training calendar or
any general or specific information published
in this calendar. Mindful reserves the right to
cancel courses that do not achieve minimum
participation, in which case, all fees will be
refunded.

See Mindful website for further information about
workshops. Additional workshops may be added
to the calendar later in the year. Check the
website for updates
