

ASD POSITIVE BEHAVIOUR SUPPORT - FULL DAY WORKSHOP

www.mindful.org.au/Autism-Training

Who is the training for?

Psychologists, Speech Pathologists, Social Workers, Occupational Therapists, Teachers, Early Intervention Workers, Family Support Workers, Headspace clinicians, Paediatric Fellows
**Advanced trainees in Child Psychiatry, CYMHS clinicians

Who provides the training?

Aspect Positive Behaviour Support Program Trainers.
Aspect Victoria runs the highly successful, and evidence-based three day Autism specific Positive Behaviour Support Workshop for parents across Victoria, increasing confidence and capacity in parents to manage challenging behaviours and to support their children and young adults.
This workshop has been adapted for clinicians working with families with a child or young person with ASD.

What does the training include?

- Learn about Positive Behaviour Support and how to be proactive by creating an autism friendly environment
- Learn how to write an autism specific profile and behaviour support plan (please come with a specific client or case study in mind)
- Learn how to write a plan to respond confidently when challenging behaviour occurs
- Learn how to teach new skills to promote independence and quality of life

After you've registered

Approximately 1 week prior to the training, you will be send some Pre-Course Handouts for you to peruse - these will also be given out on the day in a pack.
