

# ASD IN ADULTS ADVANCED WORKSHOP

[mindful.org.au/Autism-Training.aspx](http://mindful.org.au/Autism-Training.aspx)

## WHO IS THE TRAINING FOR?

Psychiatrists, Psychologists, Occupational Therapists, Social Workers, Speech Pathologists, and Psychiatric Nurses.

## WHO PROVIDES THE TRAINING?

Dr Emma Radford, Consultant Psychiatrist, Royal Melbourne Hospital  
Jo Rouse, Senior Occupational Therapist & clinicians from the Orygen Neurodevelopmental Service

## WHAT DOES THE TRAINING INCLUDE?

This 2-day online training will focus on providing mental health clinicians working with adults further practical tools for working with autistic adults. Topics covered will include:

- Best practice tools and processes for screening and diagnostic assessment of ASD in adults.
- Common comorbid mental health and neurodevelopmental issues in Autistic adults.
- Adapting mental health interventions for Autistic adults including prescription of psychiatric medication, supporting emotional regulation, sensory modulation and supporting relationships and communication.
- Linking autistic adults with community supports.

Please note this training does not focus on moderate to severe intellectual disability and associated behavioural interventions. Please contact Mindful for further information with regards to training options in this area.

Prior to the training, you will be sent an email with pre-reading materials and a Zoom link.

## PRE-REQUISITE TRAINING

The one-day ASD in Adults - Introductory Workshop is a pre-requisite for this training.

### Please note:

We encourage early registration as some workshops reach capacity quickly. Additional workshops may be scheduled if there is sufficient interest.

Fees listed include the Goods and Services Tax (GST).

### Where are we?

Mindful – Centre for Training and Research in Developmental Health  
Department of Psychiatry,  
University of Melbourne

This training will be delivered online via live Zoom videoconference
