

# ASD POSITIVE BEHAVIOUR SUPPORT

[mindful.org.au/Autism-Training.aspx](http://mindful.org.au/Autism-Training.aspx)

## WHO IS THE TRAINING FOR?

Psychologists, Speech Pathologists, Social Workers, Occupational Therapists, Teachers, Early Intervention Workers, Family Support Workers, CYMHS clinicians, Headspace clinicians, Paediatric Fellows, and Trainees in Child & Adolescent Psychiatry.

## WHO PROVIDES THE TRAINING?

Training is provided by two facilitators with extensive experience providing positive behaviour support intervention to children, adolescents, and young adults in the mental health and community sectors.

## WHAT DOES THE TRAINING INCLUDE?

This one-day seminar will enable participants to:

- Learn about Positive Behaviour Support
- How to develop an understanding of challenging behaviour and create an autism friendly environment
- Learn how to write an autism specific profile and behaviour support plan (please come with a specific client or case study in mind)
- Learn how to write a plan to respond confidently when challenging behaviour occurs
- Learn how to teach new skills to promote independence and quality of life

Prior to the training, you will be sent an email with the full schedule and information about the venue. Morning/afternoon tea and lunch will be provided.

### Please note:

We encourage early registration as some workshops reach capacity quickly. Additional workshops may be scheduled if there is sufficient interest.

Fees listed include the Goods and Services Tax (GST).
