

UNDERSTANDING SEXUAL DEVELOPMENT IN YOUNG PEOPLE WITH AN ASD

mindful.org.au/Autism-Training.aspx

WHO IS THE TRAINING FOR?

Mental Health Clinicians and other professionals such as psychologists, social workers, speech pathologists, occupational therapists, paediatricians, Headspace clinicians, psychiatrists and registrars working with children and young people on the ASD spectrum.

WHO PROVIDES THE TRAINING?

Belinda is an experienced Clinical Neuropsychologist who has coordinated the Endeavour Neurodevelopmental Psychiatry team at Monash Early in Life Mental Health Service for the past 5 years. Belinda completed her doctorate investigating the comorbidity of ASD and ADHD, and has worked with young people with neurodevelopmental difficulties for the past 15 years.

WHAT DOES THE TRAINING INCLUDE?

This presentation aims to provide an overview of the challenges young people with ASD may face throughout their sexual development. Inappropriate Sexual Behaviours are discussed and understood through an ASD lens. Finally strategies to support sexual education and minimise inappropriate sexual behaviours in young people with and ASD are discussed.

Please note:

We encourage early registration as some workshops reach capacity quickly. Additional workshops may be scheduled if there is sufficient interest.

Fees listed include the Goods and Services Tax (GST).
