**Tram No. 59** leaves Flinders Street Station every 15 minutes via Elizabeth Street and Flemington Rd. Alights on Mt Alexander Rd at stop No. 26.

**Upfield line trains** leave Southern Cross Station every 20 minutes. Please leave 15 mins extra time to get from Flemington Bridge train station to our campus, either by connecting tram or walking.

**Taxi** ranks at Southern Cross, Elizabeth Street (Melbourne Central), and Flinders Street.

**Parking** is not available on the Travancore campus. There is limited on-street parking in the surrounding neighbourhood. Use of public transport is recommended.

**Driving note:** If you are driving from the south via the CityLink, you will need to take the Racecourse Road exit from the freeway, then we advise that you turn left onto Racecourse Rd, then right onto Wellington Street which will take you directly to the junction of both Padman Lane and Flemington Street (our location).
