Institution	Qualification

Please note: Working with Children Check ID Cards will be required as part of participation in this course. If you do not currently have one, please visit <http://www.workingwithchildren.vic.gov.au/> for more information on obtaining a Working with Children Check.

1. How many years' experience have you had in working with children and/or adolescents with mental health difficulties?

0-2 years

2-5 years

5-8 years

8-10 years

10 years +

2. Apart from your current position, what other work experience have you had in child, adolescent and family mental health?

3. Why do you wish to do this course?

4. We aim to offer the course regionally when numbers allow this. If you would be interested in participating in the course from a regional location, which regional centre would best suit you?

5. Developmental Psychiatry Course – Prerequisite.

The prerequisite for the DPC is the 2.5 day “Child and Youth Mental Health Introduction to Assessment Short Course” (CYMH Intro), offered at Mindful. Have you completed this course in the past five years?

Yes Year:

No

If no, you will automatically be enrolled into the “Child and Youth Mental Health Introduction to Assessment Short Course” which will be conducted at Mindful from 5th to 7th February 2020 inclusive. This course has replaced the earlier Assessment, Treatment and Case Management in CYMHS course, previously conducted at the Alfred. In some situations, students may be exempt from completing the CYMHS Assessment Short Course if the course coordinator assesses previous training and clinical experience as being equivalent to participation in the course. Please provide details below if you believe this to be the case.

6. Course Discovery – For future marketing purposes, we would like to determine how you learned about the Developmental Psychiatry Course (DPC).
