

DEVELOPMENTAL PSYCHIATRY COURSE

One-year foundational course for early career ICYMH clinicians.

<https://mindful.org.au/>

DPC THEORY

Build knowledge & skills in ICYMH assessment, formulation, & treatment planning through a combination of online self-paced learning, small group tutorials & focused assignments.

Victorian ICYMH Participants are supported by **DPC Clinical Educators** within their service who assist with navigating the course and to promote the translation of knowledge and skills into practice.

DATES & TIMES

Starts on Wednesday, 5 February 2025

Semester 1

- Weekly online self-paced learning + one-hour online tutorials
- Tutorials run Wednesdays 2.30-3.30pm
- Assignments designed to enhance clinical work

Semester 2

- 2 full days of Autism Fundamentals: 13th & 14th August 2025

FEES

Victorian Clinicians: \$2,100 (Incl GST)

Interstate Clinicians: \$2,450 (Incl GST)

AT A GLANCE

- Learn from experts
- Meet clinicians from across the state + interstate
- Engage in small group learning
- Gain knowledge + practice skills

TESTIMONIALS

DPC Participant Feedback

"In all of my study over the years I have found this the most helpful."

"Highly recommend...this really should be a mandatory training for all new ICYMHs clinicians"

"It has given me an opportunity as a new clinician to look at the client holistically and to be mindful about any concerns/outstanding issues"
