

ADULT AUTISM ADVANCED WORKSHOP 2023

WHO IS THE TRAINING FOR?

Psychiatrists, psychologists, occupational therapists, social workers, speech pathologists, psychiatric nurses and peer support workers.

WHO PROVIDES THE TRAINING?

Dr Emma Radford, Consultant Psychiatrist, Royal Melbourne Hospital
 Prof Sandra Radovini, Child & Adolescent Psychiatrist
 Jo Rouse, Senior Occupational Therapist
 Frances Saunders, Speech Pathologist & Mindful Statewide Autism Coordinator

WHAT DOES THE TRAINING INCLUDE?

This 2-day online training will focus on providing mental health clinicians working with adults further practical tools for working with autistic adults. Topics covered will include:

- Best practice tools and processes for screening and diagnostic assessment of autism in adults.
- Common co-occurring mental health and neurodevelopmental conditions in autistic adults.
- Adapting mental health interventions for autistic adults including prescription of psychiatric medication, supporting emotional regulation, sensory modulation and communication.
- Linking autistic adults with community supports.
- Lived experience perspective.

Please note this training does not focus on moderate to severe intellectual disability and associated behavioural interventions. Please contact Mindful for further information with regards to training options in this area. Pre-reading materials will be emailed 1-2 weeks before the workshop. This information will be assumed knowledge for the training.
