

ASD POSITIVE BEHAVIOUR SUPPORT 2022

mindful.org.au/Autism-Training.aspx

WHO IS THE TRAINING FOR?

Psychologists, Speech Pathologists, Social Workers, Occupational Therapists, Teachers, Early Intervention Workers, Family Support Workers, CYMHS/CAMHS clinicians, Headspace clinicians, Paediatric Fellows, and Trainees in Child & Adolescent Psychiatry.

WHO PROVIDES THE TRAINING?

Training is provided by two facilitators with extensive experience in autism and positive behaviour support intervention. The facilitators have extensive experience in working with autistic children, adolescents, and young adults in the mental health and community sectors.

WHAT DOES THE TRAINING INCLUDE?

This one-day online workshop focuses on the child and adolescent age group, encompassing skill development in the following areas:

- Learn about Positive Behaviour Support
- How to develop an understanding of behaviours of concern and create an autism friendly environment
- Learn how to write an autism specific profile and behaviour support plan (please come with a specific client or case study in mind)
- Learn how to write a plan to respond confidently when challenging behaviour occurs
- Learn how to teach new skills to promote independence and quality of life

Pre-reading materials will be emailed 1-2 weeks before the workshop. This information will be assumed knowledge for the training.
