

# ADOS-2 CODING AND RELIABILITY 2024

## WHO IS THE TRAINING FOR?

Mental health clinicians, child & adolescent psychiatrists, paediatricians, speech pathologists, psychologists, occupational therapists, or other professionals who have completed at least the 2-day ADOS-2 Introductory workshop.

## WHO PROVIDES THE TRAINING?

Psychologist Deborah Sweeney has been training clinicians in the use of the ADI-R and ADOS-2 for many years throughout Asia and the Pacific region. Deborah was previously working in autism research at Monash University and now works in private practice providing consultation for complex presentations of autism spectrum disorder.

## WHAT DOES THE TRAINING INCLUDE?

The workshop consists of coding two videos of module 1 or 2 and module 3 or 4 administration of the ADOS-2. This is an opportunity to check your reliability and discuss coding questions. Participants will be provided with a pre-course video to code before attending the workshop.

## PREREQUISITE TRAINING

To be eligible for this training participants are required to have completed the **ADOS-2 Introductory 2-day** (also known as *ADOS-2 Clinical*) training. For further information please see our **Frequently Asked Questions** website page.

View all our Autism training workshops at:

<https://mindful.org.au/asd-training>

### Please note:

We encourage early registration as some workshops reach capacity quickly. Additional workshops may be scheduled if there is sufficient interest.

Fees listed include the Goods and Services Tax (GST).

**Disclaimer:** All information correct at time of printing. Mindful reserves the right to make changes to the training calendar or any general or specific information published in this calendar. Mindful reserves the right to cancel courses that do not achieve minimum participation, in which case, course fees will be refunded in full. Mindful reserves the right to cancel courses at short notice, where unexpected/rare emergency circumstances require it, and will endeavor to move participants bookings to an alternative date or provide a full refund. Please note our workshops are not recorded.

**Cancellation Policy:** Registered participants who are unable to attend and notify us of this in writing prior to fourteen days before the workshop may either: (1) cancel their registration and receive a refund of their payment minus administration fee of 20% or \$40, whichever is greater; (2) transfer their registration to another eligible participant (no fee); (3) in some circumstances may be able to transfer their registration to an equivalent-cost ASD workshop in the same calendar year, if space is available. Participants who cancel 14 to 2 business days before the workshop may be permitted to transfer their registration to another eligible participant (no fee). In exceptional circumstances, please contact Mindful.
