

ASD AND ANXIETY 2022

WHO IS THE TRAINING FOR?

Mental Health Clinicians and other professionals such as psychologists, social workers, speech pathologists, occupational therapists, paediatricians, psychiatrists and registrars, working with children and young people with autism.

WHO PROVIDES THE TRAINING?

Dr Fiona Zandt, Clinical Psychologist, has extensive experience working with children and adolescents with Autism Spectrum Disorders (ASD) and their families for the past 20 years. Fiona has worked in a variety of settings including CAMHS, Rehabilitation and Private Practice. Fiona currently job shares the coordination of the Specialist Autism Team at the Royal Children's Hospital and has a successful private practice. Fiona is also a co-author of *Creative Ways to Help Children Manage Anxiety* and *Creative Ways to Help Children Manage Big Feelings*.

WHAT DOES THE TRAINING INCLUDE?

This workshop focuses on **children aged 4-12 years** and includes current research of anxiety in autism. Fiona draws on her extensive clinical experience to help participants understand:

- Why anxiety is so common
- How to assess for anxiety
- Why, and how, to provide psychoeducation
- Practical strategies for therapy
- Helpful ideas for parents
- Morning tea will be provided

Clinicians are advised to bring a case to the seminar for discussion and treatment planning.

View all our ASD training workshops at:

<https://mindful.org.au/asd-training>

Please note:

We encourage early registration as some workshops reach capacity quickly. Additional workshops may be scheduled if there is sufficient interest.

Fees listed include the Goods and Services Tax (GST).
